

**UNITED WE FIGHT,
UNITED WE WIN.**

February 2019 Update

LIVE UNITED

United Way fights for the health, education, and financial stability for every person in every community.

We win by living United. By forging unlikely partnerships. By finding new solutions to old problems. By mobilizing the best resources. And by inspiring individuals to join the fight against their community's most daunting social crises.

So become a hand-raiser. A game-changer.

Because United we fight, United we win. To live better, we must Live United.
